**Important Notice:** Discontinuation of CleanPlex ACE2 & Tmprss2 product line

**Dear Valued Customer,**

This communication is provided to you in order to inform you that the CleanPlex ACE2 & Tmprss2 products have been discontinued effective immediately.

After internal review, we determined that we no longer have the capability to manufacture new batches of this product to our validated standards. To maintain transparency and ensure reliable order fulfillment, we have removed this product from our active catalog.

If any existing inventory remains, it will be available while supplies last. No future lots will be produced.

We understand that product changes may impact your planning, and we are committed to supporting your transition. If you need assistance identifying suitable alternatives or have questions regarding this update, please contact our **Customer Service Team** at: (510) 221-6390 or [customerservice@paragongenomics.com](mailto:customerservice@paragongenomics.com) or reach out to your **local Sales Representative**.

Thank you for your understanding and for your continued trust in our products.
